Revolution in car care

Shine Wax Shine and protection wax

Tuning Origins Shine Wax is a precious mixture of noble wax and other natural oils designed to provide paint finishes with shine and protection. The Carnauba wax acts as a tough long-term protective film, standing up to extreme conditions. The paintwork is restored to its original gloss, shine and depth are enhanced. The Saffron and Jojoba oils used provide the final touch, a superb mirror effect. At the end of the day, you have the finest and toughest of finishes.

Coco Cream scent.

*Jojoba oil
(Northern Mexico,
United States
of America)*

Wash & Oil Shampoo A natural foam shampoo

Tuning Origins Wash & Oil Shampoo is a mild foam shampoo. Its mixture of softening Coconut and Coprah oil combines effectiveness and respect for the paintwork. Wash & Oil Shampoo contains an anti-scale ingredient for a quick-dry and superb finish.

Exotic scent.

*Coconut extract
(Inter-tropical zone)*

Soft Polish Taking care of your paintwork

Tuning Origins Soft Polish is a wax enriched polish for all paintworks. Our special mixture of Kaolin clay and natural Safflower and Coprah oils gently repels oxidation, removes tiny scratches and paintwork faults. Soft Polish restores the smooth touch, the shine and the depth. To protect this incredible finish, a powerful film of natural Carnauba wax is your guarantee of faultless "class".

Hawai Fig scent.

*Safflower oil
(Asia)*

Chrome Style Chrome care

Tuning Origins Chrome Style is a chrome care product. Its rare combination of

Kaolin clay and Tamanu oil gently removes scratches and imperfections, removes marks and corrosion. Chrome style is enriched with Carnauba wax for a highly resistant protection and shine.

California scent.

*Carnauba wax
(Northern Brazil)*

*Tamanu oil
(Polynesia)*

Product	Volume	Units/Case	Lescot Code	Barcode

Soft Polish	500 ml	6	01200300	3011449245010
Wash & Oil Shampoo	500 ml	6	01200500	3011449245065
Chrome Style	250 ml	6	01200302	3011449245119

Plastic Touch Plastic materials care

Tuning Origins Plastic Touch is a lotion for the care and protection of plastic materials. Its combination of Argan and Coprah oils feeds the materials in order to maintain their suppleness. Plastic Touch brings out the original colour with a satin finish, while depositing an anti-static protection containing anti-UV agents.

Peach & Papaya scent.

*Argan oil
(Southern
Morocco)*

Cuir Manager Leather conditioner

Tuning Origins Leather Manager is a thick lotion which hydrates and feeds leather. Its formula, rich in soft Almond and Coprah oils, penetrates right into the leather, to renew the essential oils and maintain its suppleness. The leather is protected from cracking. The original colour and smell are restored.

Neo Leather scent.

*Mild Almond oil
(Central Asia)*

24" Rims Alloy wheel cleaner

Tuning Origins 24" Rims was specially designed to clean alloy wheels. Its formula using precious Coprah oil is fully adherent and removes accumulated deposits, restoring the shine for a smart look. 24" Rims deposits a protective film which facilitates future cleaning.

Fresh Mango scent.

Black Tire Tire care

Tuning Origins Black Tire is a paste designed to maintain your tires. Its Coprah-based composition cleans and nourishes the rubber, revitalises it and prevents cracking and discolouring. Black Tire stands up to washing to give lasting protection. For the final touch, Black Tire creates an inimitable wet finish.

Indiana scent.

*Coprah
(Inter-tropical zone)*
